Supt. KC Smith asked about the overtime from M-Thur. for the Electric Department for 1 hour just for carrying the phone. Councilmember Smith made the motion to do away with the M-Thur. OT for carrying the phone effective January 1, 2026 the calls will be transferred to Supt KC Smith phone on those days and if there is an electric emergency someone will be called by Supt. Police Chief Foster updated the council on the new Police vehicle and it should be on road around the first of January.

Council Reports:

Councilmember Smith asked about the City Insurance and the cost savings that Cigna is offering. The family deductible will be 1,000 from 1,500. He feels the Cigna network is very strong and the doctors in our area are covered. Councilmember Smith can't make a motion or vote on this due to him being the agent for this policy. Mayor Crain will talk with AIM about this being a conflict of interest for Councilmember Smith. Councilmember Copenhaver stated she would like more information on this policy before she makes a decision on changing policies on the employees. Police Chief Foster spoke for his department and none of his employees want to change insurance as all employees on the city insurance feel the same as they are very happy with Anthem.
